WHO WE ARE

Wild Land is a company with 20 years of experience specializing in the design, development and production of outdoor equipment products. With strong capability of R & D, production and quality management, our main products are: roof top tents, camping ground tents, outdoor leisure lights, outdoor furniture, outdoor cookware, sleeping bags etc.

Products innovation

Wildland is driven innovation and an unparalleled reputation for quality and value. These basic principles guide Wildland through the creation of innovative and highly popular designs.

Marketing strategies

At Wildland we strive to distinguish ourselves with creative, environment friendly products that provide our customers excellent value.

Wild Land - PickupMate

Wingman X

(Symphony Class)

Wingman X (Symphony Class) Model: VMS-PM-WMX/SC

PickupMate, created and defined by Wild Land, is a pickup living system. It responds to different lifestyle aspirations by creating unique ways to experience life. Wingman X brings Hear Better, allowing music to blend naturally with the outdoors while delivering a Concert-Grade Outdoor Sound Experience.

- Retains pickup's cargo and off-road capabilities while unlocking SUV agility & RV comfort. Expanded pickup bed space to enhance loading capacity.
- Fully automated setup and fold down of a double-layer camping space. Self-developed Electric Push Rod System + X-scissor structure: enables smooth automation, ensures stability, strength, durability.
- Integrated Sound, Light & Power System. Intelligent control of audio, lighting and power for a seamless outdoor living experience.
- 4-Layer Safety Protection System: one-button power-off, dual safety locks, anti-pinch mechanisms and voice alerts for safer lifting operation.
- The transparent rooftop skylight is perfect for photographer, hunting and stargazing.

A Concert-Grade Outdoor Sound Experience

- Acoustic Structure Design: optimized acoustics for deeper, clearer and more immersive sound.
- DSP Smart Audio Engine: intelligent sound optimization with Bluetooth 5.0 and TF card playback.
- Symphony-grade Audio System: 360° sound coverage with 32 precision drivers, rich detail and powerful bass.

Specifications

Installation Method: Non-destructive, quick assembly & disassembly

Compatible with pickup trucks that meet the following requirements:

- > Bed length > 1500 mm
- > Bed width > 1400 mm
- > Cargo bed payload capacity > 400 kg

Capacity: 2-3 persons

Applicable Scenarios: Camping, fishing, family self-driving, off-roading, etc.

Wild Land Litestri

2026 NEW

Wild Land Litestri

Engineered to deliver the durability of a traditional rooftop tent with a noticeably slimmer and lighter build, this triangular lightweight rooftop tent provides excellent stability while keeping overall weight to a minimum, the gas-strut allows for quick setup and effortless pack-down, making it ideal for both spontaneous overnight trips and extended journeys.

- Ultra-Slim Profile: Features an ultra-slim height for a clean, streamlined appearance.
- Ultra-Lightweight: Built with an ultralight structure, weighing only 68kg/150lbs with Optional 300W Solar Panel
- Easy Installation: light enough for quick installation, even on vehicles with lower roof-load limits.
- Universal Vehicle Compatibility: Works with sedans, hatchbacks, SUVs, CUVs, vans, and pickups. Compatible with all standard roof-rack systems
- Convenient and self-powered: The optional 300W solar panel on the roof provides convenient and reliable off-grid power wherever you go.

Materials

Top Shell: Aluminum frame with High-Strength Membrane Fabric and an optional 300W solar panel.

Fly: 210D rip-stop polyoxford PU 3000mm with silver blockout coating UPF 50+

Specification

Whole lamp:

Main materials: ABS+PC+ Nylon + Silicone+ Metal (tripod)

Rated power : 26W

Lumen:380lm-3000LM

Color temperature: 6500K

Input: Type-C

Input: 5V/3A

Battery:3.7V 5000mAh/5200mAh&3600mAh lithium batteries

Charging time: 7 hours(by power charger); 32H(by solar panel)

Run Time: 3~11.5 hrs

Lifespan:20000Hours

Main lamp

Rated power : 13W

Lumen:190lm-1600lm

3 lighting modes: Low 190lm,Middle 350lm, High 1600lm/750lm(steady lumen)

Input: 5V/2A

Run time:3~11.5hrs

Battery: 3.7V 5000mAh/5200mAh lithium battery

Charging time: 4.5h

Weight: 1100g(2.43lbs)

Side lamp

Rated power : 13W

Lumen: 190lm-1400lm

5 lighting modes: Low 190lm, Middle 350lm, High 650lm, Spot light 450lm,

Full bright mode 1400lm/750lm(steady lumen)

Input/output: 5V/1A

Run time:1.5~6hrs

Charging time: >6hr

Battery: 3.7V3600mAh lithium battery

Charging time: 6H

Weight: 440g (0.97lbs)

Wild Land Trackwalker Lantern

LED Lantern

Wild Land Trackwalker Lantern

- Classical retro design, a true signature light for the Trackwalker series
- Unique combination of materials: bamboo, copper, metal, and ABS
- Built-in 5200mAh rechargeable Li-ion battery, supporting USB-C charging (DC 5V / 3A)
- Special multi-mode lighting design, integrating signal light, three reading lights, spotlight, and SOS light
- Stepless dimming with power indicator

Signal light mode

Rated Power: 6.5W
Lumen: 160lm Max
Duration: 10-60hours
CCT: 2700K

Spotlight mode

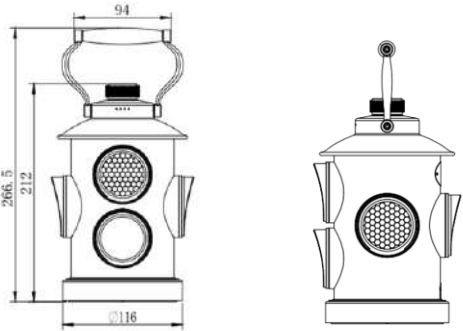

Rated power: 10.5W
CCT: 6500K
Lumen: 450lm Max
Duration: 7-50hours

Reading light*3 Plus Signal light mode

Rated power: 14.5W
CCT: 2700K
Lumen: 320lm Max
Duration: 6 hours

Whole lamp

Battery: Li-on 5200mAh 3.7V
Charging time: 2 hrs
Input: USB-C DC 5V/3A
IP rating: IPX4
Shell Materials: Bamboo + Copper + Metal + ABS
Weight: 1300g

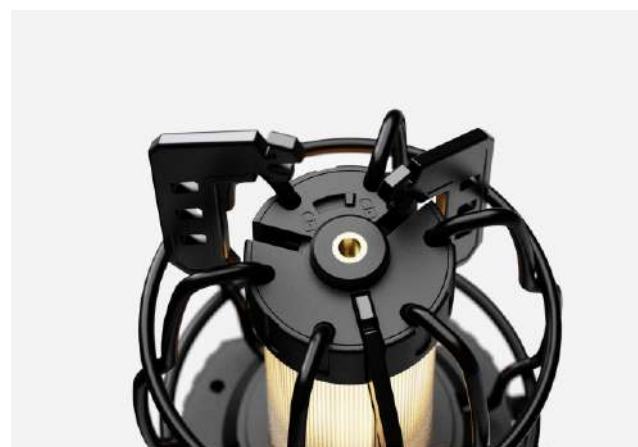

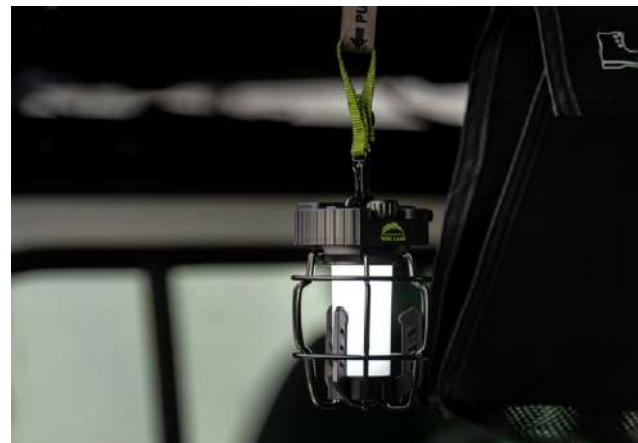

Dimmable

Wild Land Thunder Lantern

LED Lantern

Wild Land Thunder Lantern

Inspired by the shape of a grenade, this product is designed to be durable, light, compact, and multifunctional for outdoor enthusiasts.

Material: Metal+ABS+detachable nylon handle

Rated Power: 5.5W

Lumen: 2200K:25-250lm/6500K:25-300lm

Beam angle: 360°

CCT: 2200K/6500K

Battery: Li-ion Battery

Battery capacity: 1800mAh/3600mAh/5200mAh

Charging time: 1800mAh:≥3.5H/3600mAh:≥5H/5200mAh:≥7H

Working time: 1800mAh:3.3H-20H/3600mAh:6H-40H/5200mAh:11H-60H

Working temp: 0°C~45°C

Working humidity: ≤95%

IP rating: IPX4

Input: Type-C 5V/1A

Weight: 1800mAh:365g(0.8lbs) 3600mAh:490g(1lbs) 5200mAh:490g(1lbs)

Wild Land Mini Lantern

LED Lantern

Wild Land Mini Lantern

The lantern is easy to carry; it can be placed in a pocket or hung on a backpack.

Dimmable by touch.

The lantern offers three ways of use:

- Hang with a hook
- Put it on a desk
- Mount on a tripod using the bottom threaded hole

Materials: PC + Metal + ABS

Rated Power: 2.2W

Voltage: 3.0-4.2V

Lumen: 5-160lm

Working time: 12-170H(3500mAh battery)

8.5-120H(2600mAh battery)

4.5-65H(1800mAh battery)

Charging time: ≥4.5H(3500mAh battery)

≥4H(2600mAh battery)

≥3.5H(1800mAh battery)

With battery indicator light

Input: Type-C 5V/1A

IP rating: IPX7

Dim: 4.5x4.5x10cm(1.8x1.8x3.9in)

Net Weight: 104g (0.23lbs)

Working Temperature: 0°C~45°C

Working Humidity: ≤95%

Dimmable

Wild Land Ring Lantern

LED Lantern

Wild Land Ring Lantern

Legend has it that 1600 years ago, a lady missed her sweetheart so much. She drew rings to express her love. Her sweetheart received her letter full of rings and completely understood her yearning. Then he wrote a poem for this ring letter: "Love is missing and there is no way to meet, so rings take its place: Single ring for me, double ring for you, triple rings so that we are together all the time."

Our Ring Lantern is like a poem—for love, for marriage, and for family.

Lighting modes: Warm light/Breathing light/Cool light/ Mixed highlight
Applications: Indoor(Hotel, Cafes & Dining room), Outdoor(Lawn, Garden & Campsite)
Materials: Plastic + Metal+Hemp Rope +Bamboo +Silicone
Power range: 0.2W-12W
Color temperature: 2200K/5700K
Lumen: 6~380LM
Beam angle: 360D

Input: Type-C 5V/1A
Battery: 3.7V Li-ion battery(18650*2)/AA battery 3pcs
Li-ion battery capacity: 5200mAh(5000mAh)/3600mAh
Working time: 5200mAh:2.5~180hrs/3600mAh:1.3~90hrs
Operating temperature: 0°C~45°C
IP rating: IPX4
Weight: 550g (1.2lbs)
Product size: 116x116x195mm(4.5x4.5x7.7in)
Working Humidity: ≤95%

Wild Land Knight SE

Aim to peace and happiness

LED Lantern

Wild Land Knight SE

- Aims for peace and happiness.
- Patented light source design with 3 lighting modes: Breathing-Twinkling - Dimming.
- With USB output, can be used as a power bank.

Materials: Plastic + metal + bamboo

Rated power: 3.2W

Dimming range: 10%~100%(0.4~3.5W)

Color temperature: 2200K

Lumens: 5~180LM

Beam angle: 360°

Input: Type-C 5V/1A

Output: 5V/1A

Product dims: 126.2x126.2x305.2mm(5x5x12in)(included handle height)

Inner box dims: 143x143x255mm(5.6x5.6x10in)

Battery: 18650 Li-ion

Battery capacity: 3600mAh

Charging time: ≥5H

Working Time: 4.8~72H

IP rating: IPX4

Net weight: 550g (1.2lbs)(included Li-ion*2)

Working Humidity: ≤95%
